

✂️ BOX MAILER SILOUETTE FRAMES

how-to
ideas!

MATERIALS NEEDED:

Red A2 Box Mailer · Lotus & Jasmine Garden Paper · Fuchsia 1/4" Satin Ribbon · Zots Dots Small · Pool 8 1/2 X 11 Cover · 3D Foam Tape · 8.5" General Purpose Scissors · Craft Knife · Doublestick Tape · Regular Tape · Ruler · Pencil

INSTRUCTIONS:

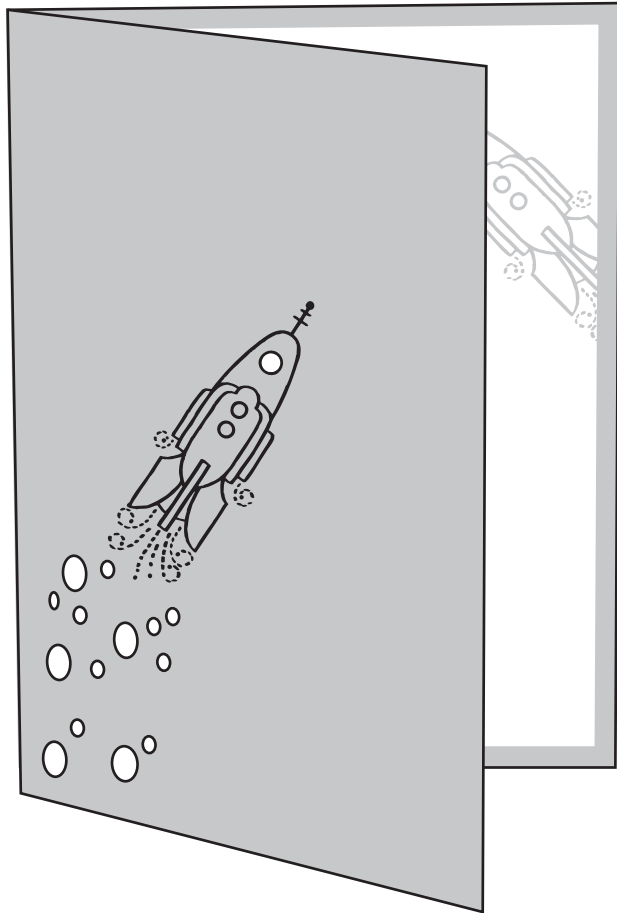

Cut decorative paper to fit top (5 15/16" x 4 1/2") and bottom (5 3/4" x 4 3/8") of box, and adhere in place with doublestick tape.

Trace bird silhouette onto cover weight paper, (customize using any desired image/profile via photos or downloaded image), and cut out. Use 3D foam tape to adhere silhouette on top of decorative paper in box.

Cut approximately 18" of ribbon. Apply glue dots to bottom and side corners of box. Center ribbon onto box, affixing to dots of glue to create a decorative edge.

Tie a secure bow to top and hang.

✂ ROCKET PARTY INVITE

MATERIALS NEEDED:

Rocket Ship Rubber Stamp · For Date Time Place Rubber Stamp · 1/8" Round Hole Punch · 1/4" Hole Punch (optional) · Versamark Watermark Inkpad · Brilliance Starlite Silver Inkpad · Metallic Silver Embossing Powder · Embossing Heat Tool · A2 Night Foldover Cards · A2 Shimmer Silver Envelopes · Bluebell White Dots 1 1/4" Circle Stickers · Bluebell 8 1/2" X 11" Text · 6" Guillotine Trimmer · Doublestick Tape

INSTRUCTIONS:

Stamp rocket onto front of A2 Night card with versamark ink. Emboss by sprinkling with metallic silver powder, shaking off excess and setting with embossing heat tool. Using punch(s), make holes just beneath rocket's engine and one in main cabin window with a 1/8" hole punch.

Cut inside text layer to 4" x 5 3/8". Stamp "for date time place" along left side of text layer with brilliance starlite silver ink. Stamp a rocket along the top right with versamark ink and punch one hole in main cabin window with a 1/8" hole punch.

Adhere to interior of card with doublestick tape, and fill in party information. Seal silver envelope with Bluebell white dots circle stickers.
