

✂ HERE'S TO RED, (ECO)WHITE AND BLUE...I MEAN, LAKE!

how-to ideas!

**MATERIALS NEEDED:**

red 8 1/2" x 11" text paper • eco-white 8 1/2" x 11" text paper • lake 8 1/2" x 11" text paper • 1/4" wide lake satin ribbon  
1/4" super tacky tape • star hole punch • scissors • 12" blade trimmer (optional)

**INSTRUCTIONS:**

To make banner, begin by cutting red, eco-white and lake papers in half widthwise to 8 1/2" x 5 1/2" (A). Punch stars along one 8 1/2" edge (B). Fold over opposite edge, as indicated by dashed line, in varying, random, widths (C). Repeat to create desired length of banner. Apply 1/4" super tacky tape along the inside folds (C). Place ribbon into folds and remove tape backers to secure in place (D). Now, show your patriotism by dressing up your porch, picnic table or doorway! (tip: save all those star punch outs to use as confetti for your tables or stick back to back onto flat toothpicks and garnish cupcakes, a cheese plate or hors d'œuvres!)
