

✂ COVERED PENCILS & DIY NOTEPAD

how-to ideas!

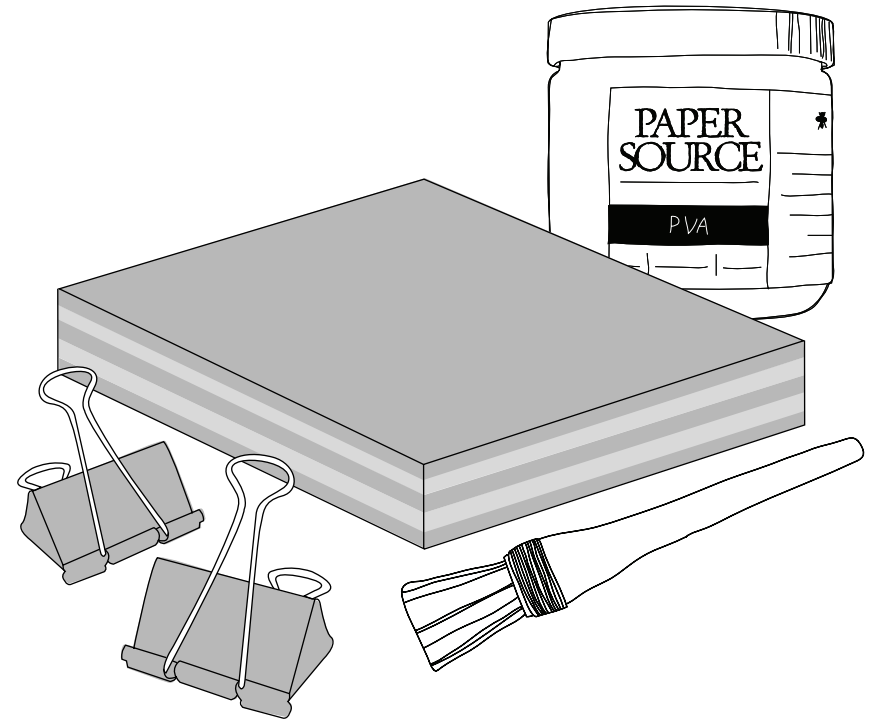

Covered Pencils...New & Improved!

MATERIALS NEEDED:

Mechanical Pencils • Decorative Paper (Indian and Japanese papers work best!)
PVA • Glue Brush • Scissors • Guillotine Paper Trimmer (optional)

INSTRUCTIONS:

Cut strips of decorative paper to fit lengths of mechanical pencils, with a 1/4" overlap. Coat backs of decorative strips with PVA. Wrap around barrels of mechanical pencils just below erasers. Re-use over and over and over again!

Notepad Made E-Z!

MATERIALS NEEDED:

3-4 packs of A2 Notecards (Use two different colors for a jazzy pad!) • PVA • Glue Brush • 2 rulers • 1-2 Jumbo Binder Clips

INSTRUCTIONS:

Stack A2 Notecards (alternating colors optional.) Jog sides back and forth on a flat level surface until desired edge is completely flush. Cover edge with PVA. Carefully, sandwich between two rulers and clamp with jumbo binder clips. Set aside to dry. If necessary, apply another layer of PVA and set aside to dry. Once completely dry, unclamp and use!
