INSTRUCTIONS:

Fold a 3/4" flap at bottom edges of tombstones to fit bases of cellophane bags. (A) Decorate tombstones with flourishes and sayings.

Cut 4" squares from moss paper. Fold 3/4" flaps for base of grass. Cut over grown grass blades on "non-base" side. (B) Tuck grasses and tombstones into cellophane bags, along with treats wrapped in black tissue paper. Leave a bit of black tissue paper peaking out at the tops of each bag and staple closed just off to the left side where it will be hidden by the full moon.

Punch 2 1/8" circles from curry paper. Punch two 1/8" holes and thread black ribbon in, out and through again to make a little bat. Cover staples with moon using double stick tape.
