

✂ GARLAND OF THANKS

how-to ideas!

MATERIALS NEEDED:

Turkey Shapes Pack • Paper Wrapchia in Natural • Superfine Soft White 2.5" Round Labels • Small Die Cut Fall Leaves • 1/8" Hole Punch • Transparent Tape • Scissors

INSTRUCTIONS:

Using the PDF template provided on the Paper Source blog, print the words "GIVE THANKS" onto Super Softwhite 2.5" Round Labels. Stick labels onto alternating colors of turkey shapes. (Note that we have turkeys facing each other in pairs.) Layout shapes as shown and use transparent tape to adhere them to Paper Wrapchia (A). Stack several leaves in various colors on top of one another and use a hole punch to make a hole through the layers (B). Thread leaves through end of Paper Wrapchia and knot end. Repeat so that each end is finished with a stack of leaves. Your lovely garland of thanks is ready to hang for all to enjoy!
