how-to  
ideas!

### MATERIALS NEEDED:

Clover Shapes Pack • Eco-White 2.5" Round Labels • Grass Glitter Ribbon • Scissors • Double Stick Tape • Large Zots Dots • Safety Pin

### INSTRUCTIONS:

Using the PDF template provided on the Paper Source blog, print "KISS ME I'M IRISH!" onto Eco-White 2.5" Round Labels. Stick label onto clover shape of your choice. Use double stick tape to layer the clover with the label onto another clover, slightly staggering shapes. Tie a piece of glitter ribbon into a square knot and trim ends into a "V" shape. Adhere ribbon in place using a Zot Dot. For the most secure hold, we recommend using a pin to wear your badge. Erin go Bragh!
